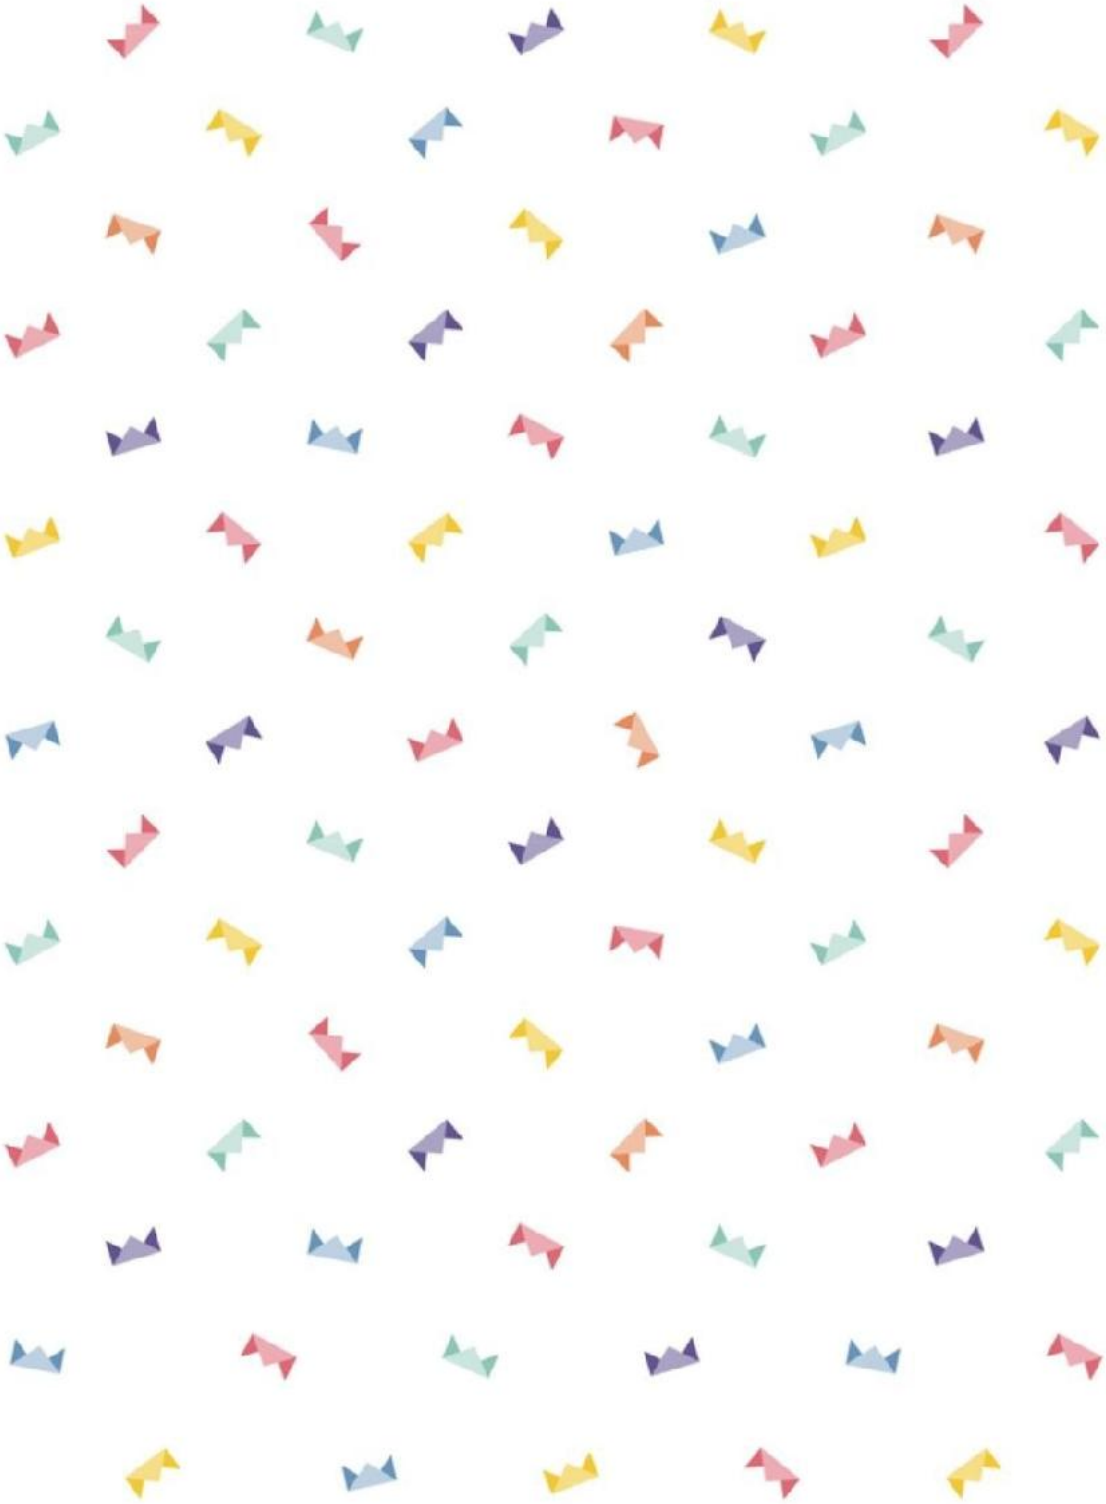
WHERE ARE YOU
RUMAYSA KHAN?
SAVE THE MULTIVERSE!
Wonderbly

DEAR RUMAYSA,
YOU HAVE THE POTENTIAL TO BECOME ANYTHING IN THE UNIVERSE.
WHEREVER YOU GO IN THE UNIVERSE, REMEMBER THAT YOU'RE NEVER ALONE.



Okaaaay . . . This is unexpected.

It's a parcel. It's got your name on it. And the squid delivering it is in such a hurry, it doesn't even have time to knock on the door.

You try to ask the delivery squid what's going on,
but it just flies off.

Whatever it is, it must be important. The wall can wait!

You open the box.

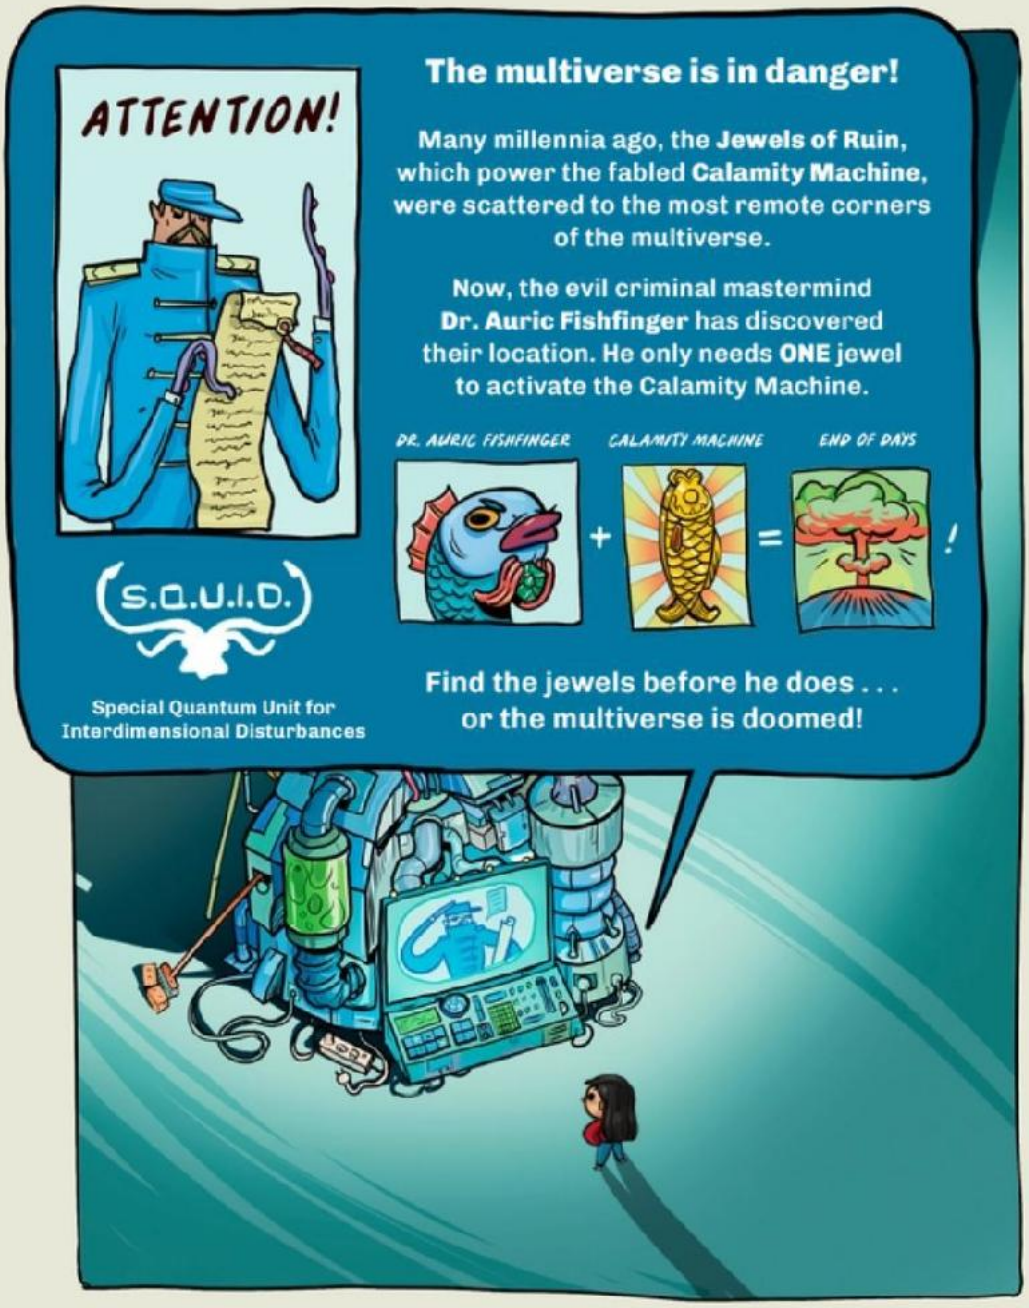
What's this?
A . . . periscope?

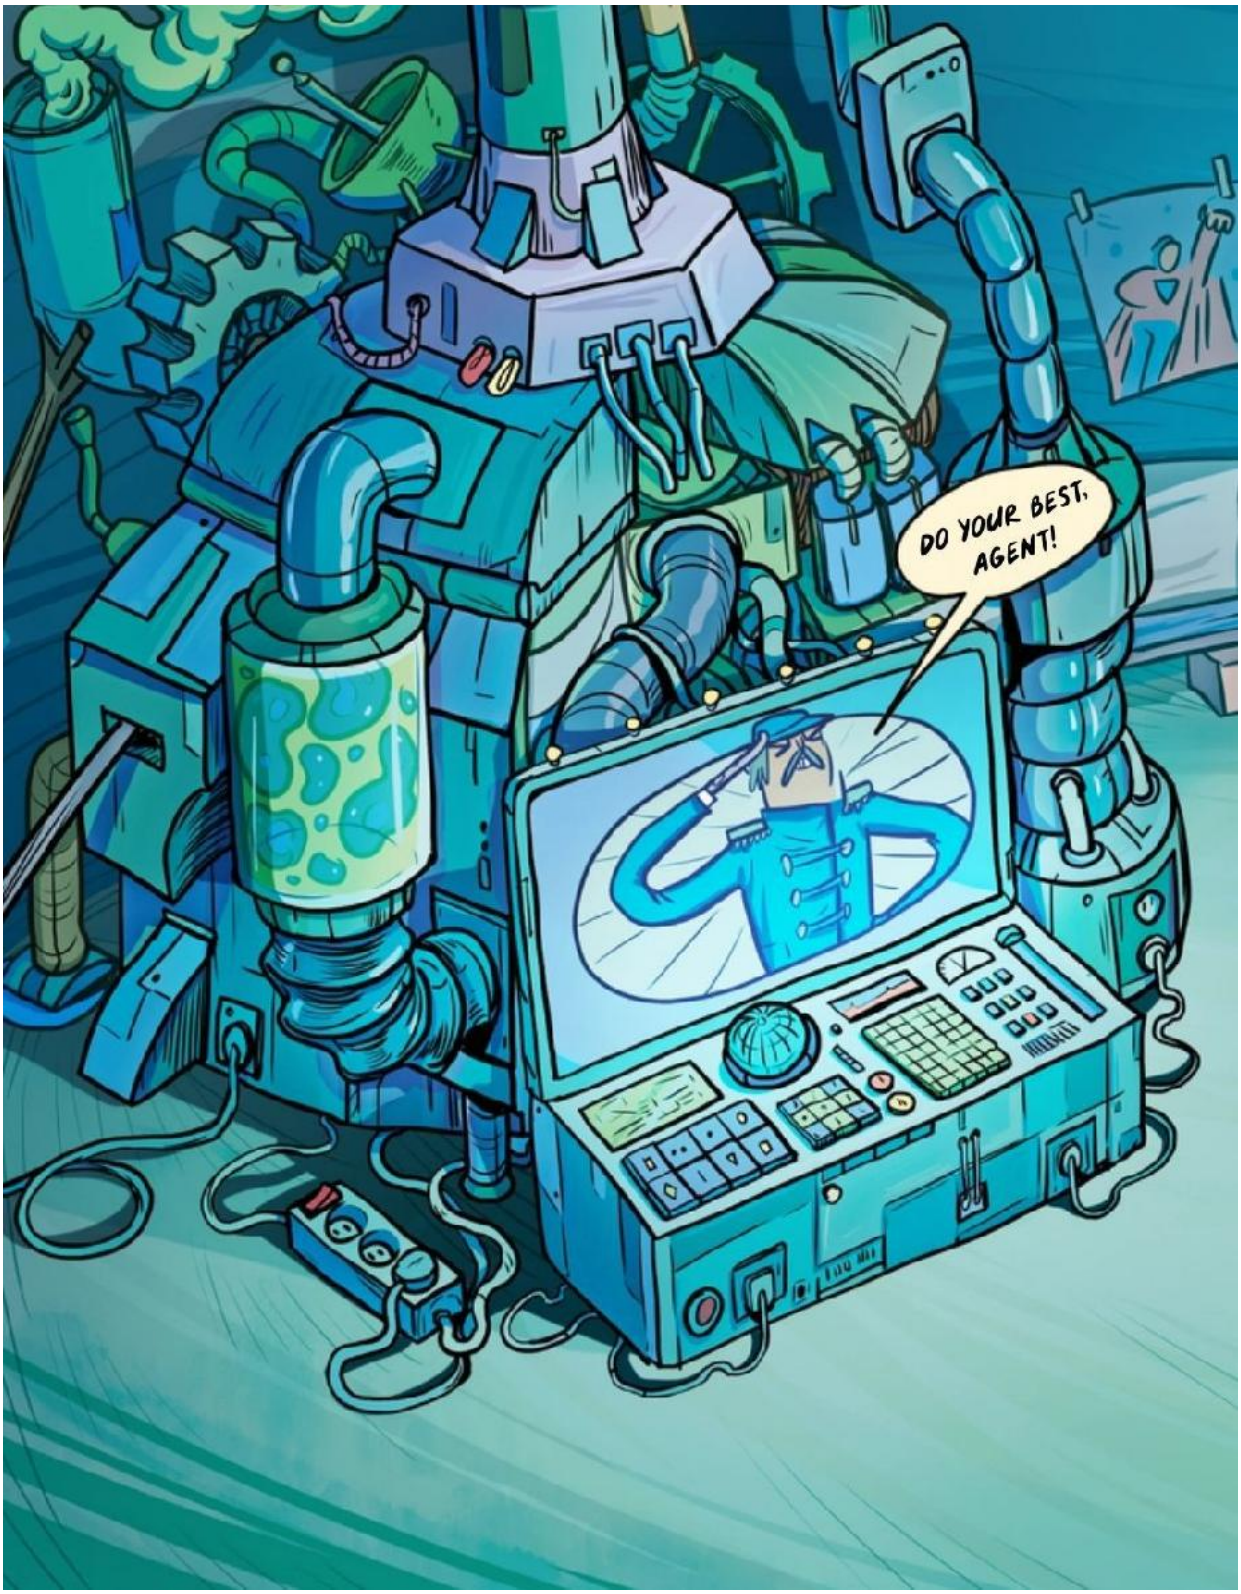
Aha! At least it comes with instructions.

You get busy with a wrench.

Yikes, this thing is *complicated*.

It seems that you've built a Parallel Universal Portal, which lets you look into alternative universes (and see alternative versions of you!). And there's a message. Things are getting intense . . .





DO YOUR BEST, AGENT!

YOU CAN COUNT ON ME!
An urgent mission to save the multiverse from an evil criminal mastermind?
Awesome!

With a whirr, the machine lights up with your mission briefing. You need to head to Book Universe, where Dr. Fishfinger has been spotted.

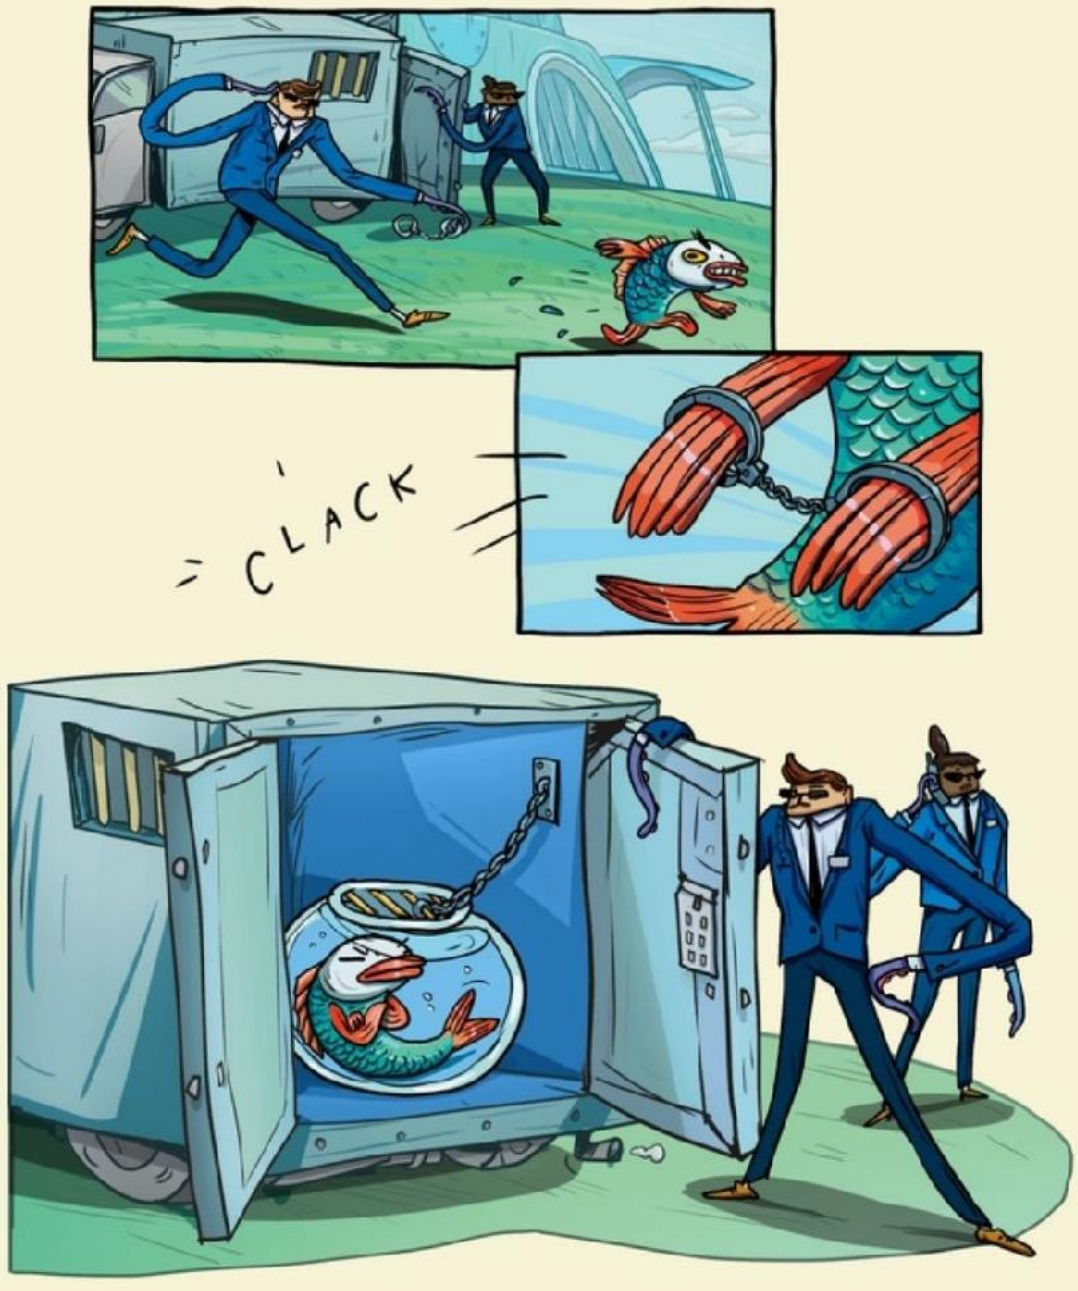
Uh-oh! You're too late – Dr. Fishfinger has got to the final Jewel of Ruin before you! He's about to insert it into the Calamity Machine . . .

Quick! Grab the jewel or it's bye-bye, multiverse!
You've got 5 seconds . . . 4 . . . 3 . . . 2 . . .

Just in time! Our fiendish fishy friend is foiled, and the multiverse is safe. At least for the moment . . .

The agents of S.Q.U.I.D. arrive to take Dr. Fishfinger away. Get those handcuffs (um, fincuffs) on him quickly! He's a slippery character – we can't let him wriggle out of this one!



Back at home, your mission is over. You kept the multiverse safe, with a little help from your alternative selves. Congratulations, Rumaysa.

And it looks like that wall is going to be repaired, too.

It just goes to show: you, Rumaysa, have the potential to be anything, and do anything, you want.
